—Please mail us one more gross of your Zanerian Business Pens, and oblige. We find that your pens are the best made, and we are very highly pleased with them.
 W. B. ELLIS & Co.

—Mr. M. I. Cabaniss of DeKalb, Tex., was married on July 27, to Miss Maggie Evans, of Newark, Ohio. Mr. Cabaniss is a '95 Zanerian, and formed the acquaintance of Miss Evans while attending school. Mr. C. paid the Zanerian a short visit on his way from Texas to Newark. He intends returning to Texas with his bride in a short time, where they will make their home. They certainly have the best wishes from the Zanerian.

This is the second daughter in this family that Zanerian boys have carried off. Mr. P. P. Easterday of Jefferson, Md., took the other.

If you are looking for the best in the Penmanship, Engrossing, and Art lines, you are probably aware that the Zanerian Art College, Columbus, Ohio, offers superior facilities in instruction in these branches. It not only gives the best instruction but it secures for its students more positions than any or all similar schools. You need to take that into consideration. Circular and a copy of The Penman and Artist free.
